[Ludacris]

Ha ha ha ha ha, yeah, ahhhh

[Chorus: Jamie Foxx]

Sim-p-ly marvelous

(That's what you are, that's what you are, that's what you are)

More than outrageous (ooh ooh)

That's what you are

Beyond incredible, yeah yeah

(That's what you are, that's what you are, that's what you are)

Now that's contagious (ooh ooh)

Oooh that's what you are (hey)

[Ludacris]

Luda! I must admit that you are truly somethin special

So hop up in my vessel, let's wrestle like I'm The Rock (Rock)

Deep in your ocean I'ma find your buried treasure

So hop up on the dresser, throw your legs up to the top (top)

Stretch it out like calisthenics

Bet it that Luda wet it and get it and have somebody call the medic (medic!)

My head is in the right direction

My quarter's in your jukebox, girl you are my #1 selection

I play you over and over, put your head on my shoulder

Slide down and give me head in the Rover (Rover)

And I'm a soldier, see it ain't no limits to the things we could do

And I made this record for you

So that we could break it down to the nitty-gritty one time

And when it comes to the sexin I get busy with mine

So you get busy with yours, I guess we destined to see Baby girl, you are destined to be

[Chorus]

[Ludacris]

Yeah, uhh

Uh, so supernatural, wonderful and miraculous

You got me buggin off yo' attractiveness like WHOA
(whoa)

So precise, so fine in yo' position

that my unanimous decision is to never say no (no)

You got me strung like a guitar

Playin the sweetest melody is definitely heavenly by far
(far)

Further than the moon - and I never fake it

but I take it when you get naked cause your body's like
BOOM! (boom!)

How could I resist it? I'll be there in an instant

When you call like tornadoes you got me twisted

I know you missed it, so I'ma give it good

You'll go ballistic, because I give it hood

Just like a nigga would, and like a nigga should

If you hear screamin then Luda's up yo' neighborhood

Good gracious, yeah I do it right

And all night, you are

[Chorus]

[Jamie Foxx]

Yeah, it's courageous how you drop the phone and
rush over

Crazy how you make me high when I'm sober

Just when I thought, I've seen it all

You put it down on meeeee

It's contagious how your lips make me lose composure

Addicted to the kisses, your blow got me swoll up

There's only one, my champion

That's what you are to meeee, yeah

Ooooooh yeah

[Chorus] - 2X w/ ad libs
