Gangsta white walls
TV antennas in the back
(The back, the back, the back, the back, the back)

I wanna
(Diamond in the back)
I wanna
(Sunroof top)
I wanna
(Diggin' in the scene with a gangsta lean)

I wanna
(Yeah diamond in the back)
I wanna
(Sunroof top)
I wanna
(Diggin' in the scene with a gangsta lean)

I wanna
(Yeah diamond in the back)
I wanna
(Sunroof top)

Yeah diamond in the
Diamond in the
Diamond in the

It's hard growin' up lookin' at drug dealers wit' all this
paper
Wonderin' how I can get me some?
(Diamond in the, diamond in the diamond in the)
My family's strugglin', I'm buggin', sittin' on my porch
So confused, chewin' on some bubblegum

(Diamond in the, diamond's in, the diamond's in the)

I was always taught to use my manners with the misses
But please, stay away from the hoes and snithes
(Yeah diamond in the, diamond in, the diamond in the)
And I was always reached for the sky, I dont know why
I'ma little bitty kid wit' but a whole buncha gangsta
wishes
(Yeah diamond in the, diamond in, the diamond in the)

When I grow up, you just wait, I'ma be so straight
And everything's gonna be so marvelous
(Yeah diamond in the, diamond in, the diamond in the)
No more borrowin' from the neighbors, no more haters
No more blowin' nintendo cartridges
(Diamond in the, diamond in, the diamond in the)

I'ma have it made in the shade, I'ma be so paid
And my fam, get 'em off that payin' them bills
(Yeah diamond in the, diamond in, the diamond in the)
Matta fact im schemin' my way on up out this hood
I'll be good when I ditch these trainin' wheels
(Diamond in the back)

I wanna
(Sunroof top)
I wanna
(Diggin' in the scene with a gangsta lean)

I wanna
(Yeah diamond in the back)
I wanna
(Sunroof top)
I wanna
(Diggin' in the scene with a gangsta lean)

I wanna
(Yeah diamond in the back)
And I wanna
(Sunroof top)
I wanna

I wanna
(Yeah diamond in the back)
I wanna
(Sunroof top)
I wanna
(Diggin' in the scene with a gangsta lean)

Yeah diamond in the

Diamond in the
Diamond in the

I'm sick and tired of ridin' public transportation
And patient waitin' on my set of wheels
(Yeah diamond in the, diamond in, the diamond in the)
I'm willin' to do what it takes, whatever the stakes
In order to get myself some dollar bills
(Diamond in the, diamond in the, diamond in the)

It's too many holes in my socks and I'm ready to box
Anyone tellin' me I need better shoes
(Yeah diamond in the, diamond in, the diamond in the)
And I ain't the only one trippin', or makin a fuss
My older cousin need some cheddar too
(Diamond in the, diamond in the, diamond in the)

He thinkin' 'bout comin' up on the lick, to get it quick
It involves that local corner store
(Yeah diamond in the, diamond in, the diamond in the)
I overheard him say he knew who work there
And whatever they do, don't let the owner know
(Diamond in the, diamond in, the diamond in the)

I hope he come back with enough to let me borrow
some change
At least for the summer
(Yeah diamond in the, diamond in, the diamond in the)
And If he don't let me borrow nothin, but ask me what I
want
I'ma tell him I wanna
(Diamond in the back)

I wanna
(Sunroof top)
I wanna
(Diggin' in the scene with a gangsta lean)

I wanna
(Yeah diamond in the back)
I wanna

Why cant I walk with a limp mama? Won't be no drama
For goodness sakes, I'm just a kid
(Yeah diamond in the, diamond in, the diamond in the)
Had to get my whoopin' in fo's, I was just a po'
Like there no remorse for what I did
(Diamond in the, diamond in, the diamond in the)

Gotta learn the hard way, when runnin' them streets
How some just creep, really just to eat a meal
(Yeah diamond in the, diamond in, the diamond in the)
I coulda swore it was mine, what I used to tell the po-po
What I left to rob and steal
(Diamond in the, diamond in, the diamond in the)

Man, I gotta earn for a livin', aint nobody givin' me
nothin'
Find somethin' I love to do
(Yeah diamond in the, diamond in, the diamond in the)
Hmm, what about that pimpin'? It's good tippin'
Tax free, and I know a lot of people that love to screw
(Diamond in the, diamond in, the diamond in the)

Yeah, It's just a way of the world, with boys and girls
I'm adjustin' to my environment
(Yeah diamond in the, diamond in the, diamond in the)
This government cheatin' us, so I'll cheat 'em back
Why can't work feel like retirement?
(Diamond in the back)
