(Young Jeezy) - This ya anthem (X7)

Young Jeezy -

On 285, on 285, I don't know where I'm goin'.

On 285, I drink when I drive.

I just love when I'm high.

I don't know where I'm going, on 285, on 285, on 285, I
don't know where I'm going, on 285. I drink when I
drive.

I just love when I'm high, on 285.

I don't know where I'm going, on 285.

Ludacris -

ATL! Luda!

I, come equipped with, two straps on my lap move
back, 45 tucked by my side. side

Sip a little bit of this, sip that, drink up, I'm so drunk
when I drive. drive

I'm wood grain grippin' and tippin' on some 24's.

I puff the magic dragon and then blow smoke of out my
nose.

I try to tell 'em ain't nothin' changed, but the mileage
on the range.

It's baby power white, and I whip it like cocaine.

All up and down 285 and I'm going around in circles
may'n.

My partners call me Prince, cause they know I got that
"Purple Rain".

Burners all on my waist belt gotta pull my pants up like
I'm Urkel may'n.

My girlfriend said you sho'?

I said bitch I'm fo' certain may'n.

I'm hurtin' the game so bad, they can't keep up when I
count this scrilla.

My momma quit her job cause I got her workin' with six
figures.

Yeah, she's workin' with six figures, and niggas is
workin' like some slaves.

She retired a little bit early cause her son is fuckin'
paid.

And she ain't gotta do shit, but be rich, and stay alive.

And once in a while just take her Lexus and drive on
285.
