Heads up, heads up  
Here's another one  
And a, and another one

Yeek yeek  
(Whoop whoop!)  
Why you all in my ear?  
Talkin' a whole bunch of shit that I ain't tryin' to hear  
Get back mothafucker you don't know me like that  
(Get back mothafucker you don't know me like that)

Yeek yeek  
(Whoop whoop!)  
I ain't playin' around  
Make one false move I'll take ya down  
Get back mothafucker you don't know me like that  
(Get back mothafucker you don't know me like that)

(Whoo!)  
S-s-so c'mon c'mon  
Don't get swung on, swung on  
It's the knick knack paddywhack, still ridin' Cadillacs  
Family off the street made my homies put the baggies  
back

Still stackin' plaques  
(Yep)  
Still action packed  
(Yep)  
And dough, I keep it flippin' like acrobats  
That's why I pack a mac, that'll crack 'em back  
'Cause on my waist there's more heat than the Shaq  
attack

But I ain't speakin' about ballin', ballin'  
Just thinkin' about brawlin' till y'all start bawlin'  
We all in together now, birds of a feather now  
Just bought a plane so we changin' the weather now  
So put your brakes on, caps put your capes on  
Or knock off your block get dropped and have your  
face flown  
'Cause I'll prove it, scratch off the music

Like hey little stupid, don't make me lose it

Yeek yeek

(Whoop whoop!)

Why you all in my ear?

Talkin' a whole bunch of shit that I ain't tryin' to hear

Get back mothafucker you don't know me like that

(Get back mothafucker you don't know me like that)

Yeek yeek

(Whoop whoop!)

I ain't playin' around

Make one false move I'll take ya down

Get back mothafucker you don't know me like that

(Get back mothafucker you don't know me like that)

I came

(I came)

I saw

(I saw)

I hit 'em right dead in the jaw

(In the jaw)

I came

(I came)

I saw

(I saw)

I hit 'em right dead in the jaw

(In the jaw)

I came

(I came)

I saw

(I saw)

I hit 'em right dead in the jaw

(In the jaw)

I came

(I came)

I saw

(I saw)

I hit 'em right dead in the jaw

(In the jaw)

See I caught 'em wit a right hook, caught 'em wit a jab

Caught 'em wit an uppercut, kicked 'em in his ass

Sent him on his way 'cause I ain't for that talk

Ain't no trips to the county, I ain't for that walk

We split like two pins at the end of a lane

We'll knock out your spotlight and put an end to your  
fame

Put a DTP pendant at the end of yo chain

Then put the booty of a Swisha at the end of a flame

Yeek yeek  
(Whoop whoop!)  
Why you all in my ear?  
Talkin' a whole bunch of shit that I ain't tryin' to hear  
Get back mothafucker you don't know me like that  
(Get back mothafucker you don't know me like that)

Yeek yeek  
(Whoop whoop!)  
I ain't playin' around  
Make one false move I'll take ya down  
Get back mothafucker you don't know me like that  
(Get back mothafucker you don't know me like that)

Hey! You want what wit me?  
I'm a tell you one time, don't fuck wit me!  
(Get down)  
'Cause I ain't got nothin' to lose  
I'm havin' a bad day, don't make me take it out on you  
You want what wit me?  
I'm a tell you one time, don't fuck wit me  
(Get down)  
'Cause I ain't got nothin' to lose  
And I'm havin' a bad day, don't make me take it out on  
you

Man, 'cause I don't wanna do that  
I want to have a good time and enjoy my Jack  
Sit back and watch the women get drunk as Hell  
So I can wake up in the mornin' wit a story to tell  
I know it's been a li'l while since I been out the house  
But now I'm here you wanna stand around runnin' your  
mouth  
I can't hear nothin' you sayin' or spittin', so what's up  
Don't you see we in the club, man shut the fuck up

Yeek yeek  
(Whoop whoop!)  
Why you all in my ear?  
Talkin' a whole bunch of shit that I ain't tryin' to hear  
Get back mothafucker you don't know me like that  
(Get back mothafucker you don't know me like that)

Yeek yeek  
(Whoop whoop!)  
I ain't playin' around  
Make one false move I'll take ya down  
Get back mothafucker you don't know me like that  
(Get back mothafucker you don't know me like that)

We in the Red Light District  
We in the Red Light District  
We in the Red Light District  
We in the Red Light District  
We in the Red Light District  
The Red Light District  
The Red Light District  
We in The Red Light District
