

## Ludacris "Go 2 Sleep"

Visit "[Go 2 Sleep](#)" on MotoLyrics.com

Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe

Man, I tell a hoe to go to sleep  
They turn around and frown, gotta make 'em six feet  
deep  
'Cause we knock 'em unconscious with that non-sense  
Read inbetween that fine print, think about lyrical  
content  
Then about where your time spent  
Mess around get your guys hit, a ten hut  
I send three-six ol' shit, nigga what?  
If ya tired ya tired, if ya snooze ya lose  
But'chu you won't wrap up ya bandages or hell you  
would

Nigga, I got shotty's and semi's, I love 'dro and henne'  
?  
All brown and skinny but I've fucked up so many  
I got QP's and halves if we beefin' I blast  
You sleepin' I laugh, ask tit, I'm off the rip  
I had this hoe who talked too much, I had to off the  
bitch  
2 0, Mr. Crayola, niggas know what I mean  
'Cause I slang brown, white, yellow, purple and green  
And all you faggot muthafuckas gotta know the routine

Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe

Bitch, it's me again, kickin' in your fuckin' doors  
I look for dividends, I ain't lookin' for you hoes

You bitch can't comprehend, let me put one in ya bro  
Let me put one in ya bro, so you niggas can go to sleep  
So, lay down bitch, gimme all that you dreamed for  
Gimme fancy cars, gimme bling bling bling, boi  
It don't mean a thing, boi, for me that ain't gon' swing,  
boi  
Them god damn toys, do you know what I mean, boi?

Now if you warrin' and runnin' from them, three-Six  
niggas  
This forty-five gon' give a reason to sleep, nigga  
Or bustin' massive 'round some S.K.  
My last trip to A T L, I fucked yo' cascade  
I'm strippin' bitches and I'ma ball fucker with a limp  
They call me infer stripper, sexy, red hoe's pimp  
And quick to sink her on the nigga 'cause this what it's  
'bout  
We rob that trick and stick his dick off in his fuckin'  
mouth  
We Memphis niggas

Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe  
Go to sleep, hoe, go to sleep, hoe  
If you're tired, be quiet and go to sleep, hoe

North, north, south, south, Westwood, Orange Mound  
Nigga we be smokin' lite, never Cha Cha Charlie Brown  
Memphis niggas in this bitch, pockets full, ya know we  
bail  
Hooked up with my nigga 'Cris, then we head to A T L  
Playas wild, throwin' bows, tellin' chickens, "Fuck you  
hoe"  
Niggas rollin' Optimo, snortin' that white shit up they  
nose  
Mayne this town is like my town, so we stayed and hung  
around  
Juicy J be high as fuck, catch me in the lost and found

Better use common sense checkin' me out for bitch I  
can stand for  
And up, get yaself in this clique  
Without my tongue licks, behind me gettin' handcuffed  
by a slut  
Look, I'm from Gittero what?  
Southside niggas throw it up when it's time to get buck  
Niggas in the back of the club postin' up

Waitin' for a nigga that's new to make it up

As in, ain't no askin', it's no tolerance as long bitch  
check in

She with me, comments will only get'chu basically  
eternally resting

So abide by the code of the streets

If ya got a bitch better keep her on a leash

'Cuz lil' fate gonna creep in ya home while you gone

Have you comin' back findin' nutt on yo' sheets

Go to sleep, hoe, go to sleep, hoe

If you're tired, be quiet and go to sleep, hoe

Go to sleep, hoe, go to sleep, hoe

If you're tired, be quiet and go to sleep, hoe

Go to sleep, hoe, go to sleep, hoe

If you're tired, be quiet and go to sleep, hoe

Go to sleep, hoe, go to sleep, hoe

If you're tired, be quiet and go to sleep, hoe
