Ow, Track-stars woo, hey DTP  
Let's go

She's dangerous  
(Uh huh)  
Super bad  
(Okay)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger  
She's dangerous  
(Alright)  
Super bad  
(Uh huh)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger

Yeah, she's a money magnet, smell a dollar bill in ya  
clothes  
Gold digger style from her head to her toes  
You here me saying no don't mess with the stress  
She's out to get ya dough, none more, none less

She's lookin' for a prize, man, you killing me  
Acting like you don't see the dollar signs in her eyes  
She wants her nails done, and her hair too  
Plus a diamond necklace, that's all on you

You still can't see it? Yeah, you a sucka  
If you do it homeboy, man, I couldn't be it  
Hypnotized by her good looks?  
Yeah maybe, but a victim for a good crook? Nope not  
me

Consider yourself worn so you can stay  
Or you can stick to my rhyme and get the heck away  
Either way, go figure, she's a gold digger  
Gettin' close as your bank row grows bigger

She's dangerous, super bad  
Better watch out, she'll take ya cash  
She's a gold digger  
She's a gold digger

She's dangerous  
(Uh huh)  
Super bad  
(Okay)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger  
She's dangerous  
(Alright)  
Super bad  
(Uh huh)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger

You gotcha way with a beauty, a treat with a brain  
When she look at you, she only see ching-ching  
Mil around your neck, mil around your arms  
A championship ring, she must be a bowla hard

She turns on the leader, as soon as you need her  
Once you bite the bait, you look mighty thico  
When money talks, she ticks like F.B.I  
Ready to handcuff the right guy

Look you in the eye, and tell a boldface lie  
Scheming on the way to money, yo, well ya tried  
Guess it's a game now, gotta watch who you trust  
Like her because, it's only out for your books

Ye sir, she's all about being paid  
At the end of everyday it's a fine new grade  
What more can I say? But the wires up front  
Better watch out, she'll leave ya with insuffiant

She's dangerous  
(Uh huh)  
Super bad  
(Okay)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger  
She's dangerous  
(Alright)  
Super bad  
(Uh huh)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger

She's dangerous  
(Uh huh)  
Super bad  
(Okay)

Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger  
She's dangerous  
(Alright)  
Super bad  
(Uh huh)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger

She's so physical  
I say movie stars, you better watch your back  
She'll be spending up your check  
Oh yeah, for the growin', just won't stop  
Will be rotting in your eyes

She's a gold digga, gold digga, gold digga yeah

She's dreaming scheming on a way to get your dough  
She hit the lottery, now hit the flow, you just don't know  
Because you got got and that's for sho'

Oh yeah, she's a superstar chick  
But don't fool with her unless you got miles of risk  
She's a pimpstress runnin' more game than the  
Olympics  
To cease your assests like the I.R.S  
Aha, uh uh huh

She's dangerous  
(Uh huh)  
Super bad  
(Okay)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger  
She's dangerous  
(Alright)  
Super bad  
(Uh huh)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger

She's dangerous  
(Uh huh)  
Super bad  
(Okay)  
Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger  
She's dangerous  
(Alright)  
Super bad  
(Uh huh)

Better watch out, she'll take ya cash  
She's a gold digger, she's a gold digger

She's dangerous

(Uh huh)

Super bad

(Okay)

Better watch out, she'll take ya cash

She's a gold digger, she's a gold digger

She's dangerous

(Alright)

Super bad

(Uh huh)

Better watch out, she'll take ya cash

She's a gold digger, she's a gold digger
