i be that nigga named luda, give a round of applause
they say im up to good, i say im down for the cause
down for whateva goes down, im strapped down to my
draws
so if you up for some stitches, then im down for some
scars
down to make 'em get down, stop playin them paws
theres two things ill neva break, and thats my word and
my balls
so heres a temporary fix, for your permanent flaws
ludacris helps us to release, cause life is irkin us all
enough to make you wanna break shit
no longer will i take shit, from any of these clowns,
cause im tired of this fake shit
im ready for some action, ready with a passion
like pots with the steam, im ready to get it crackin
been six years and countin, if you think im a joke,
me gettin served is like bill gates and oprah goin broke
its bout time they gave it to me, im the reigning champ
your favorite rapper went to ludacris's training camp.
biotch, break yo face
