(Ludacris)

Yea we right back at ya between the sheets
making sure you get a good night sleep
we gonna send dis next one out to the ladies
so get a firm grip and hold on tight as the home boy
sean garrett take you on a ride
(oooo) Luda! (oooo yea) i dont think they ready dog
(ey!)

(Sean Garrett)

look at you!
Girl noe wat u sed i couldn't have when i met you,,,
when i told you one day girl up in my bed id get you
now you wont stop askin when im comin threw again
tell me tell me tell me now

when i walked up on you you told me that i didnt know
you
said there aint no point gettin ur number cuz i cant call
you
told me that you liked them boys and big toys and little
boys you dont do
wait a minute stop stressin shawty couldnt have said
that now let me bring that back
i keep it low just for girls who think dey like you
thinkin you get no paper just cuz you aint flashin no
jewels
baby girl my bank account stuffed just like that pillow
that your squeezing on
dont you know how many of my songs are runnin on
the radio?

(Chorus)

Grippin on the bed look at you grippin on the bed
(grippin on the bed x2)
i told you girl this you weren't ready for
grippin on the bed girl what you mean you cant take no
more?
we got the neighbors and them complaining about the
banging of the headboard

Grippin on the bed look at you grippin on the bed
(grippin on the bed x2)
i told you girl this you weren't ready for grippin
on the bed look at you grippin on the bed
we got the neighbors and them complaining about the
banging of the headboard

now you screamin now you need me please don't leave
me i cant get enough
all the things you said you'd never do your doing 2 me
all too good
you're even doing things to me i cant tell even if i
thought you would
(woo woo woo woo, woo woo woo woo slow down)
take it easy baby, before you cant let go
cuz im a beast when i go in girl im tellin you
and here's a lesson baby, never say what you wanna
do
cuz i got u grippin on my bed in your birthday suit

(Chorus)

Grippin on the bed look at you grippin on the bed
(grippin on the bed x2)
i told you girl this you weren't ready for
grippin on the bed girl what you mean you cant take no
more?
we got the neighbors and them complaining about the
banging of the headboard

Grippin on the bed look at you grippin on the bed
(grippin on the bed x2)
i told you girl this you weren't ready for grippin
on the bed look at you grippin on the bed
we got the neighbors and them complaining about the
banging on the headboard

(Ludacris)

yea i hear em complainin but look here its Luda! i got
ya
grippin on the bed lovin wen u make dat face cuz u like
the wai i do it
bust through the doorway rip off your top and bottom
and then i get right to it
then im all neck i get rite through it
you can call it jack and coke
wrap your legs around my waist squeeze tight then i
grab your *****
neighbors complainin
hatin the headboard we gonna make it bang
so sit your five dollar ass down cuz im gonna make
some change

den im really gonna make it rain
den u really gonna take some pain
i dont let it whoop me i whoop dat booty lik BANG BANG
BANG BANG

(Chorus)

Grippin on the bed look at you grippin on the bed
(grippin on the bed x2)
i told you girl this you weren't ready for
grippin on the bed girl what you mean you cant take no
more?
we got the neighbors and them complaining about the
banging of the headboard

Grippin on the bed look at you grippin on the bed
(grippin on the bed x2)
i told you girl this you weren't ready for grippin
on the bed look at you grippin on the bed
we got the neighbors and them complaining about the
banging of the headboard
