(FEAT. JESSE MCCARTNEY)

It's been about a year now  
ain't seen or heard from you  
I've been missing you crazy  
how do you, how do you sleep  
I found the letter you wrote me  
it still smells just like you  
damn those sweet memories  
How do you, how do you sleep, how do you sleep.

I tried my best at moving on have yet to find a girl like  
you  
I see things that I didn't before and I'm wishing I had  
more time with you,  
How do you stay awake knowing all I do is think of you  
All the things we thought about that never will happen  
again if I could just see you

If I had my way I'll come and get you girl  
In your favorite car with the missing top  
man around my way where we used to park  
and did all those things to steal your heart

(Chorus 2x)

It's been about a year now  
ain't seen or heard from you  
I've been missing you crazy  
how do you, how do you sleep  
I found the letter you wrote me  
it still smells just like you  
damn those sweet memories  
How do you, how do you sleep, how do you sleep.

Baby all that I hear from my friends again and again  
and again (they come and ask about you) (they say) we  
saw your girl at the game and damn we gotta say a big  
mistake by you.

Not only does your body bang but I miss the  
conversation too

Tell me that you couldn't sleep can't think can't eat till I

come see you

If I had my way I'll come and get you girl  
In your favorite car with the missing top  
man around my way where we used to park  
and did all those things to steal your heart

It's been about a year now  
ain't seen or heard from you  
I've been missing you crazy  
how do you, how do you sleep  
I found the letter you wrote me  
it still smells just like you  
damn those sweet memories  
How do you, how do you sleep, how do you sleep

It's been about a year now  
ain't seen or heard from you  
I've been missing you crazy  
how do you, how do you sleep  
I found the letter you wrote me  
it still smells just like you  
damn those sweet memories  
How do you, how do you sleep, how do you sleep
