im nice right now  
i, i feel good  
if you have a drink  
would you please put it in the air

(chorus)  
that party lastnight was awfully crazy  
i wish we taped it  
i danced my ass off and had this one girl completely  
naked  
drink my beer and smoke my weed  
but my good friends is all i need  
pass out at 3 wake up at 10  
go out to eat then do it again  
man I love college

(verse one) (Ludacris)  
Even though I didn't finish  
I need my balls tossed like I'm at the line of scrimmage  
Blue 52, Set, Hike on you hoes  
Eating everything in sight like a dike on you hoes (ha)  
I'm so high can't even chew food  
I get 'em drunk and put these bitches on YouTube  
And now they stay sure  
because I took some naked pictures of their ass about  
to post them on Facebook  
so just face it  
that party last night was gnarly dude  
but man we got wasted  
and a fat blunt is all I need  
cause I don't even do drugs  
just weed

(chorus)  
that party lastnight was awfully crazy  
i wish we taped it  
i danced my ass off and had this one girl completely  
naked  
drink my beer and smoke my weed  
but my good friends is all i need  
pass out at 3 wake up at 10

go out to eat then do it again

(bridge part)

man i love college  
and i love drinkin  
i love women  
i love college

(verse two)

i cant tell you what i learned from school  
but i could tell you a story or two  
um yea of course i learned some rules  
like dont pass out with your shoes on  
and dont leave the house till the booze gone  
and dont have sex if shes too gone  
when it comes to condoms put two on  
then tomorrow night find a new joint  
hold the beer bong  
nothing wrong with some fun  
even if we did get a little just too drunk

time isnt wasted when youre getting wasted  
woke up today and all i could say is

(chorus)

that party lastnight was awfully crazy  
i wish we taped it  
i danced my ass off and had this one girl completly  
naked  
drink my beer and smoke my weed  
but my good friends is all i need  
pass out at 3 wake up at 10  
go out to eat then do it again

(bridge part)

man i love college  
and i love drinkin  
i love women  
i love college

now if everybody would please  
put their drink as high as they can  
as high as they can  
and repeat after me

CHUG CHUG CHUG CHUG CHUG CHUG CHUG CHUG

FRESHMAN FRESHMAN FRESHMAN FRESHMAN

DO SOMETHIN CRAZY DO SOMETHIN CRAZY DO  
SOMETHIN CRAZY DO SOMETHIN CRAZY

KEGSTAND KEGSTAND KEGSTAND KEGSTAND

yea  
that party lastnight  
man i love collge  
i love it  
that party lastnight  
goodnight everybody i gotta head back to class for a  
little bit

(chorus in background)

but after that  
you know whats goin down  
my house and 3 kegs  
see you there  
youre all invited  
bring your friends  
bring your mom

do i really have to graduate  
or can i just stay here the rest of my life
