[Hook]

I been drinkin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
I been smokin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right

[Verse 1]

Conjure straight up on the rocks I don't chase shit
Real nigga man, your crew be on that fake shit
When it come to getting slizzered, man I hold the belt
Swimming pool full of liquor, bitch I'm Michael Phelps
Drowning all you non-drinkers, non-smokers,
Non-dippers, non-poppers
Babysitter drinking thinking that you might have to go
see a doctor
Stop the bullshittin', I let these punks know
If you ain't turnt, what the fuck you in the club for?
Get out my section, off my couch and out my damn
sight
These niggas must be bout that life, bitch you damn
right
Ever since I left the crib, I hit the ground running
Tell the waitress keep them motherfucking bottles
coming

[Hook]

I been drinkin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
I been smokin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right

[Verse 2]

The be like Luda looking rough, but his rhymes smooth

I'm in the studio, I gotta get my mind skewed
Give me that cup, give me that blunt, give me that
sticky green
Give me that light, give me that sprite, and that
promethazine
Sippin' slow, no ho, I'm not in no rush bitch
Don't tell my doctor, let's just keep this on the hush
bitch
I'm on another level, these niggas on the floor
They be like who's Luda's supplier, bitch you'll never
know
Top notch, top tier, I'm a top nigga
Slap her bottom while your girlfriend give me top nigga
Told her listen, you should gargle more, and speak
less
We took some shots and turned that shit into a drink
fest

[Hook]

I been drinkin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
I been smokin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right

[Bridge]

I can't think straight
Take a smoke break
Get the blood goin', goin'
Light it up and
Smoke somethin'
Smoke somethin'
Smoke somethin'
Smoke somethin'

I can't think straight
Take a drink break
Get the cup goin', goin'
Fill it up
Drink somethin'
Drink somethin'
Drink somethin'
Drink somethin'

[Hook]

I been drinkin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right

If I ain't fucked up I don't feel right
I been smokin' all night
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
If I ain't fucked up I don't feel right
