[bells ringing]

Ho ho hoo
Merry christmas!

[Ludacris laughing]

[chorus:]

Here comes santa clause
Here comes santa clause
Right down santa clause lane
All his reindeer
All his reindeer
Pullin' on the reins
Bells are ringing
Children singing
Bells are ringing
Children si... b-bells are b-bells are ringing
Children singing
Santa clause comes to tonite

[Verse 1: Ludacris]

Yeah
I tell'em all I want for christmas is two gold front teeth
And ten carat diamonds on a fat gold wreath
That I could wear around my neck
Get money and respect
Tell sant clause to bring a ten million dollar check
So I could spred a lil' cheer
Fly a couple leers
Eat a lil' chicken
Drink a couple beers
Kick back and just chill
Like a player would do
Remix all the christmas carols
That I'm playin for you
Luda
Turn it up until I wake up all the neighbors
They say that I'm a nuisance
But I say they all some haters
Just because I'm poor they always callin' me a faker
And cause my christmas tree is decorated in toliet

paper
But little do they know
They bout to see a show
Cause when they come up out the house
I'm gonna blast 'em with some snow
Fosty's never seen
Nothin quite like this
And st.nick's never seen
Nothing quite like 'cris
So um...

[chorus:]
Here comes santa clause
Here comes santa clause
Right down santa clause lane
All his reindeer
All his reindeer
Pullin' on the reins
Bells are ringing
Children singing
Bells are ringing
Children si... b-bells are b-bells are ringing
Children singing
Santa clause comes to tonite

[Verse 2: Ludacris]
Yeah...
Chestnuts roastin' on the fire in the hill
Down below we firing up the barbeque grills
Ice skatin in the drive way
I'm a do it my way
Eggnogs got daddy swervin' on the highway
Chains on the tires
Ice up on the window
10 degrees fahrenheit
Freezing as the wind blow
Help me take my boots off
And my snow suit off
Get up in the house
And my nose is redder than rudolph's
I think I need some help
With the buckle on my belt
And if santa doesn't show
I want his cookies and his milk
Tell him I need a jacket
New jordans and a XBox
New suits for church
And a couple pairs of socks
Stuff my stockin' with jolly ranchers and candy canes
Invite my aunties and uncles
Let's do the family thing

Meanwhile I'm hopin' santa got my wish list
So I could wake up to a very merry christmas

[chorus:]

Here comes santa cluse
Here comes santa clause
Right down santa clause lane
All his reindeer
All his reindeer
Pullin' on the reins
Bells are ringing
Children singing
Bells are ringing
Children si... b-bells are b-bells are ringing
Children singing
Santa clause comes to tonite

[verse 3: Ludacris]

Oh yeah
I hear the sleigh bells ringing and the jingle bells rock
Santa never seen the jingle bells on my block
I hear he's makin that list
Checkin' the thing twice
I guess it's prolly cause I been naughty not nice
But I'm a straighten up my act
Get up on track
Make a couple bucks and buy mama a cadillac
And then maybe santa clause will come around my way
So all the kids on my block can look up and say
Hey!

[chorus:]

Here comes santa clause
Here comes santa clause
Right down sata clause lane
All his reindeer
All his reindeer
Pullin' on the reins
Bells are ringing
Children singing
Bells are ringing
Children si... b-bells are b-bells are ringing
Children singing
Santa clause comes tonite

[fade out]
