[Verse 1:]

Shake shake shake your money maker
Like you were shaking it for some paper
Took your mama 9 months to make ya
Might as well shake what ya mama gave ya

You ... you looking good in them jeans
I bet you look even better with me in between
I keep my mind on my money, money on my mind
But yous a hell of a distraction when you shake your
behind
I got * on my right side pouring some cups
My whole hood is to my left and they ain't giving a fuck

So feel free to get lose and get carried away
So by tomorrow you forgot what you was saying today
But don't forget about this feeling that I'm making you
get
And all the calories you burn from me making you
sweat
The mile high points you earn when we taking my jet
And how everywhere you turn I'll be making you wet..

[Hook:]

[Verse 2:]

Switch, switch, switch it from right to left and..
Switch it till you running right out of breath and..
Take a break until you ready again and..
You can invite over as many friends as..

Ya want to, but I really want you
Just be thankful that Pharrell gave you something to
bump to...HEY
Luda...I'm at the top of my game
You want my hands from the bottom to top of your
frame
And I...just wanna take a lil ride on your curves
And get erotic giving your body just what it deserves
and..

Let me give you some swimming lessons on the penis
Backstroke, breaststroke, stroke of a genius...YUPP
Call me the renaissance man
Get up and I stay harder than a cinder block
mannn....HEY
I'm just a bedroom gangster
And I been meaning to tell ya that I really must thank ya
when ya..

Rock rock rock it and make it work girl
Please don't stop it until it hurt girl
You..you been looking a little tipsy
