[Hook - Mary J. Blige]

Runaway love

Runaway love

Runaway love

Runaway love

Runaway love

Runaway love

Runaway love

Runaway love

[Verse 1 - Ludacris]

Now little Lisa is only 9 years old

Shes tryin to figure out why the world is so cold

Why shes all all alone and they never met her family

Mamas always gone and she never met her daddy

Part of her is missin' and nobody will listen

Mama on drugs gettin high up in the kitchen

Bringin home men at different hours of the night

Startin with some laughs--usually endin in a fight

Sneak into her room while her mamas knocked out

Tryin to have his way and little Lisa says 'ouch'

She tries to resist but then all he does is beat her

Tries to tell her mom but her mama don't believe her

Lisa is stuck up in the world on her own

Forced to think that hell is a place called home

Nothin else to do but some get some clothes and pack

She says shes bout to run away and never come back.

[Hook - Mary J. Blige]

Runaway love [x8]

[Verse 2 - Ludacris]

Little Nicole is only 10 years old

Shes steady tryin to figure why the world is so cold

Why shes not pretty and nobody seems to like her

Alcoholic step dad always wanna strike her

Yells and abuses, leaves her with some bruises

Teachers ask questions she makin up excuses

Bleedin on the inside, cryin on the out

Its only one girl really knows what she about
Her name is lil Stacy and they become friends
Promise that they'll always be tight til the end
Until one day lil Stacy gets shot
A drive by bullet went stray up on her block
Now Nicole stuck up in the world on her own
Forced to think that hell is a place called home
Nothin else to do but some get her clothes and pack
She says shes bout to run away and never come back.

[Hook - Mary J. Blige]
Runaway love [x8]

[Verse 3 - Ludacris]
Little Erica is eleven years old
Shes steady tryin to figure why the world is so cold
So she pops x to get rid of all the pain
Plus shes havin sex with a boy whos sixteen
Emotions run deep and she thinks shes in love
So theres no protection hes usin no glove
Never thinkin bout the consequences of her actions
Livin for today and not tomorrows satisfaction
The days go by and her belly gets big
The father bails out he aint ready for a kid
Knowin her mama will blow it all outta proportion
Plus she lives poor so no money for abortion
Erica is stuck up in the world on her own
Forced to think that hell is a place called home
Nothin else to do but get her clothes and pack
She say shes about to run away and never come back.

[Hook - Mary J. Blige]
Runaway love [repeats til end]
