Save it for another day
I ain't try to hear that shit no way
Let me take two sips
And you can .. with that bullshit
Lick me with that bullshit
Kiss me with that bullshit

You look like an A .. nigger
Gone of the liquor
If I fight up like a ..make him shake like the Californian
..
Where I go .. try to fake my ..
White .. extended features
I don't go around .. like a fucking Margarita
Cops profiling but I am still .. hoping they won't find ..
Like niggers on probation I put it on the record
Then I put it in rotation dancing .. cause the system got
me .
So when they stop me for license and registration I am
like

Save it for another day
I ain't try to hear that shit no way
Let me take two sips
And you can .. with that bullshit
Lick me with that bullshit
Kiss me with that bullshit

.. we are about to blow
.. the streets are not .. so I keep it ..
Even given day I .. like Mariah
.. try me and you wish it for
.. I am handy with this . people think I am the savor
.. you just find yourself in a manage like ..
Bitch get on .. he says

Save it for another day
I ain't try to hear that shit no way
Let me take two sips
And you can .. with that bullshit
Lick me with that bullshit
Kiss me with that bullshit
