Ah

Cadillac grills

Cadillac bills

Check out the oil

My Cadillac spills

Matter of fact

Candy Paint

Cadillac kills

So check out the hoes my Cadillac fills

20 inch wide

20 inch high

Hold on to my 20 inch ride

20 inch thighs make 20 inch eyes

Hoping for American 20 inch pies

Pretty ass clothes

Pretty ass toes

Oh how I love these pretty ass hoes

Pretty ass high class anything goes

Catch them in the club throwing pretty ass 'bows

Long John draws

Long John stalls

Any stank puss

Makes my long John Pause

Women on the cell making long John Calls

And if they like to juggle get long John's balls

Chorus

All my players in the house that could ride the bar

And the balling ass niggas with the candy car

If you a pimp and you know you don't love them hoes

Then when you get on the floor

(Nigga throw dem bows!)

All my women in the house if you chasing cash

And you got some big titties with a mathin ass

With your fly ass boots or your open toes

When you get on the floor

(Nigga hold them hoes)

Verse 2

Dirty south mind blown

Dirty south bread
Cat fish fired up dity south FED
Sleeping in a cockpick dirty south bed
Dirty south girls
Give me dirty south head
Hand me down flip flops
Hand me down socks
Hand me down drug dealers
Hand me down rocks
Hand me down a fiftty pack
Switch a sweet box
And goodfella rich nigga hand me down stocks
Mouth full of platinum
Mouth full of gold
40 glock cal
Keep your mouth on hold
Lie through your teeth
You could find your mouth cold
And rip out your tongue cause
What your mouth told
Sweat for the lemonade
Sweat for the tea
Sweat from the hot sauce
Sweat from the bleed
You could sweat from a burn in a third degree
And if you sweat in your sleep
Then you sweat from me

Chorus

All my players in the house that could ride the bar
And the balling ass niggars with the candy car
If you a pimp and you know you don't love them hoes
Then when you get on the floor
(Niggar hold them hoes)
All my women in the house if you chasing cash
And you got some big titties with a batchin ass
With your fly ass boots or your open toes
When you get on the floor
(Niggar hold them hoes)

Verse 3

Hit by stars
Hit by cars
Drunk off the liquor
Getting hit by bars
Keep your gun close
Cause she hit by far
Hit by the neptunes
Hit by guitars

I let my soul blow
From my afro dick
Grab it out the hat
Pulling afro tricks
Afro America

Wearing thugged out chains
Thugged out blocks

All black tinted up
Thugged out range
BTP stay doing thugged out things

Chorus

All my players in the house that could ride the bar
And the balling ass niggas with the candy car
If you a pimp and you know you don't love them hoes
