[Chorus:]

Everybody's breakin'

Breakin' down

Let's stay together

(together 2x)

Let's stay together

Chorus Repeats

Yeah!

Tell Y'all

A lil' story right quick

LUDA!

[Verse 1:]

First the fat boyz break up

Now everyday I wake up

Somebody done call it quits

Shit I thought Bobby and Witney

Stay together forever

If they made it that long

I guess the drugs weren't that strong

And now it's Russel and Carmora

Even Jordan and wanita

And to top it off

Brad left Jen for angelina

What the hell is going on in this World?

This just can't be!

If Will and Jada can do it than why can't we?

Hillary is still with Bill Clinton,

How did they do it

He got his dick sucked

And the whole damn world knew it!

Now Paul McCartney losing half of his life

All because he got divorced from his wife

Somebody said it's cheapa to keep her

But not in K-Fed's case (no! )

'cuz Britney even had to pay

For K-Fed's case (Cha-Ching! )

Nick and Jessica, Trina and Wayne

And if you broke up wit your girl

I know you feelin da pain because

[Chorus:]

Everybody's breakin' breakin' down  
Let's stay together (together 2x)  
United we Stand, divided we fall  
Let's stay together  
United we Stand, divided we fall  
Common!  
Everybody's breakin' breakin' down  
Let's stay together (together 2x)  
United we Stand, divided we fall  
Let's stay together  
United we Stand, divided we fall

[Verse 2:]

First it was Shaq and kobe  
Then Iverson and Philly  
T-o and Mcnab  
Even Game and Fifty  
I guess sometimes  
You gotta let the pass  
Be the pass (pass)  
But I give a hundred dollars  
To see Jay with Dame Dash  
Bg with Lil' Wayne  
Juvenile and Turk  
Mannie Fresh with Baby  
How can we make it work?  
Crunchy with 3-6  
Dimond with crime mob  
Lauren hill with the Fugees  
Remmy with Terror Squad  
Lil' Kill 'em back with C's

Snoop with Mo-Dray  
Dray With Mo-Big Boys  
CD's with Mo-Plays  
Drives with no press  
Salt with no pepper  
Even the Eagles broke up  
And got the Fuck back together  
Selling millions of copies  
And getting mad cash  
And Rass B Six Criss Stope  
Was getting mad Ass  
I don't even understand it  
What the hell went wrong?  
Maybe folks will wise up  
And take heed  
To this song because

[Chorus:]

Everybody's breakin' breakin' down

Let's stay together  
(together 2x)  
United we Stand, divided we fall  
Let's stay together  
United we Stand, divided we fall  
Common!  
Everybody's breakin' breakin' down  
Let's stay together  
(together 2x)  
United we Stand, divided we fall  
Let's stay together  
United we Stand, divided we fall  
(I can't take it, Oh! )

The first blue time broke up  
Now Oldie B is gone  
Now I'm hearing Cane Ron  
Don't talk to Jim Jones  
Who saw that Shit coming  
Certainly not me  
On a dog pound break up  
Who could it mo- be  
This time Imma jump Shit from DTP  
If Chingy left than came back  
Than damn it, why can't she?  
We gotta think us of all for one  
And one for all  
HIP HOP  
United we stand divided we Fall  
So why is?

[Chorus:]  
Everybody's breakin' breakin' down  
Let's stay together  
(together 2x)  
United we Stand, divided we fall  
Let's stay together  
United we Stand, divided we fall  
Common!  
Everybody's breakin' breakin' down  
Let's stay together  
(together 2x)  
United we Stand, divided we fall  
Let's stay together  
United we Stand, divided we fall  
Common!  
Everybody's breakin' breakin' down  
Let's stay together  
(together 2x)  
United we Stand, divided we fall  
Let's stay together

United we Stand, divided we fall
