To clean up the problems and straighten the mess  
So nigga come wit ya pistol and nigga come wit ya vest  
This ain't the east or the west the 'bama weed or the

And we smoking the best everywhere that we go  
And when our records come out them bitches sell out

[Chorus]

[Ludacris]

Hallow laid hollow sprayed I'm the hollow man  
I get to my fuckin point wit my hollow plan  
Hollow bullets I pull it i'm about to live in vain  
And then I drill em refill em make sure they feel the  
pain  
It's mighty strange how your peephole is my fuckin  
gauge  
Catch you in concert and then wipe you off the fuckin  
stage  
I feel a ghetto rage let's turn the ghetto page  
My bitch will stick you wit ghetto metal stilleto thangs  
And I got a ghetto aim with diamond 'bezeled rangs  
So while my index is working my pinky's blinding  
thangs  
I hit em at close range I spit em at most brains  
You think you real rich nigga we gonna make some  
chump change  
You think it's a fucking game you think it's a blood  
sport  
You gasping for breath and I'm puffin on one of these  
Newports  
And I see a red dot aimed at yo head  
Then bright lights oh no po-po and guess what they  
said  
They said

[Chorus]

[Bun-B]

Say nigga you think it's a joke?  
Trill niggas be going for broke  
Twist this whistle loc and them muthafuckin pistols  
smoke  
And it's just a matter of time before you labeled a  
busta  
I just the nigga that couldn't catch up and cut the  
mustard  
Now I got confidence I don't need no condiments  
All I need is common sense to see through your  
incompetence  
Nigga keep your compliments they don't flatter me  
And that'll be the day bitch we don't play you know  
where the gat'll be  
huh, right on the side of me (side of me)  
Right where it's 'posed to be ('posed to be)  
Bitch niggas die for me (die for me)  
Just for getting too close to me (close to me)  
So kiss your rosery beads and sing a silent one cause  
I promise if you get it it's gone be a violent one  
Coroner catching his breath like he's got asthma  
When they cut on the blue light and see all that fucking
