(feat. Lil' Kim, Cee-Lo, Trick Daddy)

[Cee-Lo] Uh huh
[T-Dubl] Yeah
[Cee-Lo] Aw man I got a sweet tooth, can you dig it
[T-Dubl] After this one you gon need a root canal then
[Cee-Lo] I love sugar all of it
[T-Dubl] This one for all the clean, decent women
[Cee-Lo] Lay it on me girl
[T-Dubl] Pay Close Attention

[Hook: Cee-Lo]
She put that sugar on my tongue
Shes gonna
Gimme gimme some
She put it right there on my tongue (Sweet Sweet)
Right there on my tongue (She turns me on, like no
other)

[Trick Daddy]
And gimme some of your butter pecan
Put it right there on tip of my tongue, hold it
Right jeeeah
Cuz baby, if I bite you
I bet you like it
French Vanilla's a hell of a flavor for me
With strawberries, two cherries and whipped cream
The best things are the wet dreams
And uh, the rest is just a flick without a sex scene
Or lee, I speak the truth
Cuz the blacker the berry
The sweeter the juice
Cuz, Florida oranges and Georgia peaches
When they nice and ripe, they the best for eatin'
Southern boys we crave for old slice of pie after they
main course
So if you game for it
I came for it
I got a thing for ya
That I can't ignore

[Hook - 2X]

[Ludacris]

She put that sugar on my tongue, tongue
Yippie Yippie, Yum Yum
Goodie goodie gum drop
Put me in a tongue lock
Did it till my body went numb, numb
Laid her on her back, back
Turned her round, gave her bottom a smack, smack
She's a woman from the block with the best of weave
But I won't stop till I'm pullin out tracks, tracks
It was lust at first sight
And she couldn't help sayin that she wanted to get with
me
And my size was just right
Cuz she wanted a man with a little sec-ur-ity
Said I been around the world twice
And my name ring bells from Atlanta to Sic-i-ly
Said she wanted it all night
So put the bubbles in the tub and Ludacris and me

[Hook - 2X]

Yeah Yeah Yeah Yeeeah Yeeeah Yeah
Yeah Yeah Yeah

[Lil' Kim]

Hey niggas that ?? something soft and sweet
Lookin at me like Im something to eat
I got pimps givin me the money
Just to taste my jar of honey
Cotton candy sweet as gold
Come and lick my tootsie roll
My sugar baby once you wet it
Give high blood pressure like a diabetic
How about having lil kim with your coke
I just cant keep these boys off me
Pink diamonds dudes love to frost me
Runnin behind me like im mr. softy
He said I drive 'em crazy
That's sweet tooth for you baby
Just gonna look at 'cha lady
Lil kims like candy baby

[Trick Daddy]

Sweetie you look so incredible
So delicious and so damn edible
All I need is some honey or syrup
With a lil' butter to rub down all your curves
And no need for the lemonade
Just a twist of lime and some grape Kool-Aid

Can I call you Caramel?
Cuz I'm bout to go coo-coo to taste your Coco Puffs
One bowl ought to fill me up
But that milk gotta be cold enough
So supper time that'll hold me up
I might choke myself if I don't slow it up, but
Honey, you look like a honeydew melon
Or strawberry with the whipped cream filling
Of the top part of the peach cobbler
But uh, the fruit platter ought to do me better

[Hook - 2X]
