[Cee-Lo] Uh huh  
[T-Dubl] Yeah  
[Cee-Lo] Aw man I got a sweet tooth, can you dig it  
[T-Dubl] After this one you gon need a root canal then  
[Cee-Lo] I love sugar all of it  
[T-Dubl] This one for all the clean, decent women  
[Cee-Lo] Lay it on me girl  
[T-Dubl] Pay Close Attention

[Hook: Cee-Lo]  
She put that sugar on my tongue  
Shes gonna  
Gimme gimme some  
She put it right there on my tongue (Skeet Skeet)  
Right there on my tongue (She turns me on, like no  
other)

[Trick Daddy]  
And gimme some of your butter pecan  
Put it right there on tip of my tongue, hold it  
Right jeeeah  
Cuz baby, if I bite you  
I bet you like it  
French Vanilla's a hell of a flavor for me  
With strawberries, two cherries and whipped cream  
The best things are the wet dreams  
And uh, the rest is just a flick without a sex scene  
Or lee, I speak the truth  
Cuz the blacker the berry  
The sweeter the juice  
Cuz, Florida oranges and Georgia peaches  
When they nice and ripe, they the best for eatin'  
Southern boys we crave for old slice of pie after they  
main course  
So if you game for it  
I came for it  
I got a thing for ya  
That I can't ignore

[Hook: Cee-Lo]  
She put that sugar on my tongue  
Shes gonna

Gimme gimme some  
She put it right there on my tongue (Skeet Skeet)  
Right there on my tongue (She turns me on, like no  
other)

[Lil' Kim]  
Hey nigga that ???? something soft and sweet (ta!)  
Lookin at me like I'm something to eat (ta!)  
I got pimps givin me the money  
Just to taste my jar of honey  
Cotton candy sweet as gold  
Come and lick my Tootsie Roll  
My sugar baby once you wet it  
Give high blood pressure like a diabetic  
How about having Lil Kim with your coke  
I just can't keep these boys OFF ME!  
Pink diamonds, dudes love to frost me  
Running behind me like I'm Mr. Softie (ah!)  
He said I drive 'em crazy  
That's sweet tooth for you baby  
Just gonna look at 'cha lady  
Lil' Kim's like candy baby!

[Hook: Cee-Lo]  
She put that sugar on my tongue  
Shes gonna  
Gimme gimme some  
She put it right there on my tongue (Skeet Skeet)  
Right there on my tongue (She turns me on, like no  
other)

[Ludacris]  
She put that sugar on my tongue, tongue  
Yippie Yippie, Yum Yum  
Goodie goodie gum drop  
Put me in a tongue lock  
Did it 'til my body went numb, numb  
Laid her on her back, back  
Turned her round, gave her bottom a smack, smack  
She's a woman from the block with the best of weed  
But I won't stop 'til I'm pullin out tracks, tracks  
It was lust at first sight  
And she couldn't help sayin that she wanted to get with  
me  
And my size was just right  
Cuz she wanted a man with a little sec-ur-ity  
Said I been around the world twice  
And my name ring bells from Atlanta to Sic-i-ly  
Said she wanted it all night  
So put the bubbles in the tub and Ludacris and me

[Hook: Cee-Lo]

She put that sugar on my tongue

Shes gonna

Gimme gimme some

She put it right there on my tongue (Skeet Skeet)

Right there on my tongue (She turns me on, like no other)

Yeah Yeah Yeah Yeeeah Yeeeah Yeah

Yeah Yeah

[Trick Daddy]

Sweetie you look so incredible

So delicious and so damn edible

All I need is some honey or syrup

With a lil' butter to rub down all your curves

And no need for the lemonade

Just a twist of lime and some grape Kool-Aid

Can I call you Caramel?

Cuz I'm bout to go coo-coo to taste your Coco Puffs

One bowl ought to fill me up

But that milk gotta be cold enough

So supper time that'll hold me up

I might choke myself if I don't slow it up, but

Honey, you look like a honeydew melon

Or strawberry with the whipped cream filling

Of the top part of the peach cobbler

But uh, the fruit platter ought to do me better

[Hook] - 2X
