Yeah we gon' send this one out  
To everybody that put mo' into they cars  
Than they do they relationship  
Let's ride

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll

Yes 7 cars, 8 cribs  
And ain't a damn thing changed  
I'm still pumpin' 10 kickers  
Still grippin' the grain

Still candy in the paint  
Still ridin' them things  
And most my folks would say  
I'm happy but I still feel pain

Until I jump in my ride  
That's my only escape  
Me and my automobile's got these neighbors screamin'  
"Gimme a break"

It's a pity how we turn our city  
Into obstacle courses  
Don't be mad 'coz I can't hold my  
500 horses

Lamborghinis and Porsches  
Ferraris and Vipers  
I'm a wipe the seats witcho drool  
Then rub the hood with a diaper

Television on the gas tank  
The fuel make the ass stank

I mean to be rude  
My bass tubes are in a glass tank

Go strap your seatbelts on  
Go put your money up  
Go put your life on the line  
Go put your honey up

Go spread the word  
Run and tell all the boys  
It's time to play or better yet  
It's time to bring out them toys we goin'

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll

Yo one of my ways of releasin' tension  
While I'm releasin' some steam  
Even if I just put a fresh coat of wax on I'm makin' sure  
The slippers is clean

The 26's is mean  
Shut down the block nigga picture the fiends  
My system supreme  
You can feel the knock just picture the scene

The chickens just scream  
Whole crew ballin' they sick of my team  
We gettin' the cream  
I'm through hollerin' I'm livin' my dream

I'm black with a scheme  
Won't stop until that fat lady sings  
And yeah it's actual and factual  
What my faculty brings

A car show for whatever we slide  
And wherever we glide  
You keep your rules and regulations man  
'Coz we don't abide

And we lookin' alive Mercedes Benz  
6 or the 5  
In a Beamer, Lexus or AC we don't know  
How to act when we drive

And I fiend for the ride  
I lay back and lean to the side  
On lookers and turnin' heads  
Is all that's seen through his eyes

I'm breezin' on by  
And no doubt it's easy to fly  
But it's even better when you slow down  
Or ease to the side and go

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo and let's roll

I'm ridin' up in, GTO's, and fo-fo two's  
Grand Prixs, S.S's 'coz we so so cool  
Ridin' Regals or the 'llacs, we in Chevelles and Verts  
Skylarks, motorcycles, A.T.V's with the works

Malibus and Camaros, T-Birds and Novas  
Escalades, Navigators, Expeditions and Rovers  
H2's and Denalis, pickup trucks with the beams  
Crown Vics, Monte Carlos, even Cutlass Supremes are  
goin'

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo' and let's roll

Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
Two miles an hour, so everybody sees you  
It's get out put my pedal to the flo' and let's roll
