[Sean Garrett]  
I know what they feel  
Cause I'm breathin on the hills  
And it's me that they wanna kill  
Cause I give her what them girls like

[Chris Brown]  
I know what them girls  
I know I know what them girls  
I know I know what them girls

[Sean Garrett](Ludacris)  
I know what they feel  
Cause I'm breathin on the hills (HAHAHA!)  
And it's me that they wanna kill (LUDA!)  
Cause I give her what them girls like

[Verse 1]  
[Ludacris]  
Relax & take notes,  
While I'm put you up on game  
Get a sweeter connect, as put up on cane,  
But you should grab yourself a seat and Whisky  
Double,  
Because the girls are the world ain't nothin but trouble,

They like a little danger, And might not admit it,  
But, They on for the chase and they want us to come  
and get it,  
Plus THEY LOVE A YOUNG THUG THATS OVERFLOWIN  
WITH SWAGGER!  
AND THAT KEEPS ALL HIS WOMEN DRAPED IN LOUIS  
VITON BAGS!  
With Louis Viton pumps, look at them walk to 'em,  
I like open toast straps, but SG talk to em!

[Sean Garrett]

I wanna whole buncha girls to bring out the kryptonite,  
Betta wear your cake, they bringin that kryptonite,

[Chris Brown]

I know what them girls  
I know I know what them girls  
I know I know what them girls  
I know I know what them girls like

[Sean Garrett]

I know what they feel  
Cause I'm breathin on the hills  
And it's me that they wanna kill  
Cause I give her what them girls like

[Chris Brown]

I know what them girls  
I know I know what them girls  
I know I know what them girls  
I know I know what them girls like  
(Ludacris) I KNOW WHAT YOU LIKE BABY!

[Sean Garrett]

I know what they feel  
Cause I'm breathin on the hills  
And it's me that they wanna kill  
Cause I give her what them girls like

[Ludacris]

Yea, we gonna take this to verse 2,  
Some of them wanna a family, a sense of security,  
A neckless, bracelet and all other types of jewelery,  
So, shop till you drop em, till it makes you psychotic,  
Heres a triple Black Card, it aint trickin IF YOU GOT IT!  
Others'll stay content if you be makin them laugh,  
Send em to the spa, a massage then bubble bath,  
So later on, they can dance and throw a drink in their  
hand,  
And try any and everything they never did with their  
man, ME!

So get loose and slide of those garments,  
Show em whose the boss, cuz they take orders from  
the SERGEANT  
There's places on your body that I'm tryin to find,  
So in the sack, talk to me, bout whats on your mind,  
I got plenty more to learn if you'z invested in me,  
They dont love me for who I am but who I'm destined to  
BE,  
And for that!, I'll give you everything up under the sun,  
Cuz in the end, ALL GIRLS JUST WANNA HAVE FUN!

[Chris Brown]  
I know what them girls  
I know I know what them girls  
I know I know what them girls  
I know I know what them girls like

[Sean Garrett]  
I know what they feel  
Cause I'm breathin on the hills  
And it's me that they wanna kill  
Cause I give her what them girls like  
(Ludacris) I know what you feel

[Chris Brown]  
I know what them girls  
I know I know what them girls  
I know I know what them girls  
I know I know what them girls like

[Sean Garrett]  
I know what they feel  
Cause I'm breathin on the hills  
And it's me that they wanna kill  
Cause I give her what them girls like

[Ludacris]  
They wanna talk to ya, so SHUT UP AND LISTEN!  
So if you cant take the heat, GET THE F\*\*K OUT THE  
KITCHEN!  
Cuz a RA-da-da man for his Ra-da-da CHICK,  
Gets That Ra-da-da pudding for That Ra-da-da SHIT!  
I say,  
They wanna talk to ya, so SHUT UP AND LISTEN!  
So if you cant take the heat, GET THE F\*\*K OUT THE  
KITCHEN!  
Cuz a RA-da-da man for his Ra-da-da CHICK,  
Gets That Ra-da-da pudding for That Ra-da-da SHIT!
