toes.
And I wanna move from the bed down to da down to da
floor.
And I wanna AHHH AHHH you make it so good, I don't
wanna leave.
But I gotta li-li-know what's the fant-a-sy...

[Trina and Foxy Brown]

I wanna lick lick lick lick you from your head to your
toes.
And I wanna move from the bed down to da down to da
floor.
And I wanna UNN UNN you make it so good, I don't

But I gotta let-let me know know what's the fant-a-sy...

[Trina]

You know what I need,
somebody who can come and lick-lick the clit, (aiight)
and a nigga who aint thinking 'bout a Trina LP,
and make you wanna get my shit
he can go from the front-ass genital coop deville
hotel talley-ho, and Beverly Hill (that's right)
I need a real nigga not the one in da mill,
come and spank me, and make me shoot to kill
From da kitchen and you can move me to da jacuzzi
and up the booty, come and do your duty
Me and fat dick Ludacris making us a movie
Butt naked in a bed-a-cash,
make you st-st-stuttah when I bare my ass

Tell your baby bye-bye, she a thing of the past (bye-
bye)
I'm a bad bitch and I'm off the glass
Havin sex in little dress, monaj-e-toi
Gettin' buck-wild no matter where we are
Indy 500 in the back of the car
In the dark-ass club or in the back of the bar
Never want, never ever wanna leave
Work with me like tha league over seas
I wanna man to fulfill my needs
Keep my body trembling and buckle my knees

CHORUS

[Shawna]

I wanna do it on a canopy
I wanna do it where your girl gon see, and get mad at
me
I wanna nigga that grab the weave
and turn my eyes chinese, tell me 'baby can you handle
me'
I wanna do it all in your mouth, then i put that ass out
make you bounce till you pass out
Or we could cut up in the grass
And give the neighbors a flash
Can you tell me who the bad mutha fucka now?
Said I wanna take-take-take-take a nigga back to the
crib
and I wanna do all the things- do all the things that I
never did
Like upon tha.. top-top-top-top of the projects getting
head
or you can find me in a drop-drop-drop-drop on dubs
and candy red
I like a nigga when he face down-mouth wide
Hold on down with the blaze on the ride
Keepin the pound with them K's on the side, but it's
okay
I'm gonna break something tonight, oh see, get on
your knees
And I'll show what's my fantasy
Like up on the coot, coot, tell your bitch she aint gotta
be mad at me

[Ludacris]

I wanna lick lick lick lick you from your head to your
toes.
And I wanna move from the bed down to da down to da
floor.
And I wanna AHHH AHHH you make it so good, I don't
wanna leave.

But I gotta li-li-know what's the fant-a-sy...
