[Verse 1] Ludacris

I keep a fresh pair of One's on my feet

And double deuces on the chevy

So many wires in my trunk look like a bowl of spaghetti

Assault and batteries, but my trunk stay "everready"

For 5 Mill I bought a lake front crib

Bentley Car cover lookin like a laced frontwig

Of course they hating cause they still riding the Martor train

Re-name the yacht but put the plane in my daughters

Now that's karma so call me Daddy War Bucks  
If you got money, I got more bucks

[Hook]

[Verse 2] Ludacris

LUDA!  
I'm a freak like a scorpio  
Custom hood scoops make the coupe look like  
Pinocchio  
I'm rich bitch, I should drop cash  
The inside of the Lac' look like a wood shop class  
And these women gimme "Love" like it's tennis time  
So many shoes that my closet look like Finish Line  
So many acres that my crib look like Bermuda  
So many diamonds the safe look like Kay Jewelers  
That Spider about to drop my team said Luda get it  
Now 50 thou says that I'm the first nigga with it  
First round draft pick, later for you imbeciles  
the car is all black like it got traded to the  
Timberwolves  
And I keep a little bit of that green up in the lining  
but as the weather change my weed adjust to different  
climates (Okkk)  
Green in the summer time, orange in the spring  
Now it's black with that purp I call my whip the "Sac  
King"

[Hook]

Cause I got it  
All these haters wanna grill me  
(But fuck that I'm about my money if it kills me)  
[YEEAAH BABY]

[Verse 3] T.I.

I'm fly enough to fly away  
trouble I don't shy away  
from it I annihilate suckers in they driveway  
In church on sunday morning praying about what  
happened Friday  
But them the consequences for coming at pimpin  
sideways  
Now a days guess it pays to change  
in cahoots with corporations making major change  
With magnificent watches and amazing chains  
Plush pad in Atlanta and L.A.'s the same  
I'm balling til I'm bored with selections and  
assortments  
of automotives worth a small fortune  
of course it's the '72 Chevelle hardtop, '69 drop  
60 carat piece you can barely pay your lease  
Dude wanna talk new school tell him go ahead  
drop head double R-Maybachs and corner sales  
Swag got the ass, stack cash to the hair line  
Fuck another car it's time to try an buy a airline

[Hook]

Cause I got it  
All these haters wanna grill me  
(But fuck that I'm about my money if it kills me)  
[YEEAAH BABY]  
(And I'm up to no good)  
Ayyy I wish a motherfucker would

Miami to Alabama, COME INTO THEY HOOD
