When I was a child
I wondered what my life would be
But when I lost my way my dreams
Were always there to guide me
Was insecure
And sometimes have my doubts
But when I start to lose my faith
I voice start to shout

Chorus
You know I can't wait to see my name in lights
No one's gonna stop me you'll see
I will go far
(what's her name?)
Taina, Taina
I always have dreams of me being a star
You'll be sayin' my name
I've got love in my heart
I will play any part
Of the game
You'll be sayin' my name
See my star shining bright
I will reach any high
Where's my name

No I won't never stop
Til my dreams are reality
Even when the road is rough
I wanna live all my fantasy
No I won't never stop
Til my dreams are reality
Even when the road is rough
I wanna live all my fantasy

Chorus

I know that I'm gonna make it
Nothing and no one to break me
No one's gonna stop me you'll see
I will go far
(what's her name?)
Taina, Taina

I always have dreams of me being a star
You'll be sayin' my name
I've got love in my heart
I will play any part
Of the game
You'll be sayin' my name
See my star shining bright
I will reach any high
Where's my name
