When I was a child
I wondered what my life would be
But when I lost my way my dreams
Were always there to guide me
Was insecure
And sometimes have my doubts
But when I start to lose my faith
A voice inside me shouts

Chorus

I know I can't wait to see my name in lights
No one's gonna stop me you'll see
I will go far
(what's your name?)
Taina, Taina
I always had dreams of me being a star
You'll be sayin' my name
I got love in my heart
I can play any part
I've got game
You'll be sayin' my name
See my star shining bright
I will reach any height
What's my name

No I won't never stop
Til my dreams are reality
Even when the road is rough
I wanna live all my fantasy
No I won't never stop
Til my dreams are reality
Even when the road is rough
I wanna live all my fantasy

Chorus

I know that I'm gonna make it
Nothing and no one to break me
No one's gonna stop me you'll see
I will go far
(what's her name?)
Taina, Taina

I always had dreams of me being a star
You'll be sayin' my name
I got love in my heart
I can play any part
I got game

You'll be sayin' my name
See my star shining bright
I will reach any high
What's my name

i always had dreams of me being a star
