Here we go!  
Surprise nigga  
It was bound to happen sooner or later  
They ain't ready for this)  
History has been made  
ATL, yeah

Cuz' I got it  
All these hataz wanna grill me  
But fuck that IÃ¢â€Œ™ m bout my money if it kills me  
(Yeah baby)  
And IÃ¢â€Œ™ m up to no good  
Ay, I wish a mothafucka would

This tha A-town, come into my hood  
Ay, I wish a mothafucka would  
Houston, Dallas come into they hood  
Ay, I wish a mothafucka would

I keep a fresh pair of one's on my feet  
And double deuces on da Chevy  
3's company the double 4's on my belly  
5 hot amps speakers shake like jelly  
So many wires in my trunk look like a bowl of spaghetti

Assault and batteries, but my trunk stay ever ready  
Assault and battery if you scared you never ready  
And yeah I went green, 26s on the hybrid  
Smoked so much green that I canÃ¢â€Œ™ t open up my  
eyelids

Wake up in London, go to sleep on Atlanta time  
Still my paint got more candy than your Valentine  
For 5 mill I bought a lake front crib  
Bentley car cover lookinÃ¢â€Œ™ like a laced frontwig

Of course they hatin' cause they still ridin' tha marta  
train  
Rename the yacht put the plane in my daughter's name  
Now thatÃ¢â€Œ™ s karma so call me Daddy Warbucks  
If you got money, I got mo' bucks

Cuz I got it  
All these hataz wanna grill me  
But fuck that IÃ¢â€Œ™ m bout my money if it kills me  
(Yeah baby)  
And IÃ¢â€Œ™ m up to no good  
Ay, I wish a mothafucka would

New York and Jersey come into they hood  
Ay, I wish a mothafucka would  
L.A. and the Bay come into they hood  
Ay, I wish a mothafucka would

Luda!  
I'm freak like a Scorpio  
Custom hood scoops make the coupe look like  
Pinocchio  
I'm rich bitch, I should drop cash  
The inside of the Ã¢â€Œ™lac look like a wood shop class

And these women gimme love like it's tennis time  
So many shoes that my closet look like Finish Line  
So many acres that my crib look like Bermuda  
So many diamonds the safe look like Kay jewelers

That spot about to drop my team said Luda get it  
Now 50 thou says that IÃ¢â€Œ™ m the first nigga with it  
First round draft pick, later for you imbeciles  
The car is all black like it got traded to the  
Timberwolves

And I keep a little bit of that green up in the lining  
But as the weather change my weed adjust to different  
climates  
Green in the summer time, orange in the spring  
Now itÃ¢â€Œ™s black with that purp, I call my whip the  
Sac King

Cuz' I got it  
All these hataz wanna grill me,  
But fuck that IÃ¢â€Œ™ m bout my money if it kills me  
(Yeah baby)  
And I'm up to no good  
Ay, I wish a mothafucka would

Chi-town and Detroit, come into they hood  
Ay, I wish a mothafucka would  
D.C. and B-Boy, come into they hood  
Ay, I wish a mothafucka would

IÃ¢â€Œ™ m fly enough to fly away, trouble I don't shy  
away

From it I annihilate suckers in they driveway  
In church on Sunday morning praying about what  
happened Friday  
But then the consequences for comin' to  
pimpin' sideways

Nowadays guess it pays to change  
In cahoots with corporations making major change  
With magnificent watches and amazing chains  
Plush pad in Atlanta and L.A.'s the same

I ball til I'm bored with selections and assortments  
Of automobiles worth a small fortune of course  
There's the 7-2 Chevel hardtop, 69 drop, 60  
Campese  
You can barely pay your lease

P dude wanna talk new school, tell em go ahead  
Drop head double R, Maybachs and [incomprehensible]  
Swag got the ass, stack cash to the hair line  
Fuck another car, it's time to try an buy an airline

Cuz I got it  
All these hataz wanna grill me  
But fuck that I'm 'bout my money if it kills me  
(Yeah baby)  
And I'm up to no good  
Ay, I wish a mothafucka would

Miami to Alabama, come into they hood  
Ay, I wish a mothafucka would  
Philly and Boston, come into they hood  
Ay, I wish a mothafucka would

St. Louis to Tennessee, come into they hood  
Phoenix to V.A., come into they hood  
Ohio and Indiana, come into they hood  
Mississippi to Carolinas, come into they hood

Duval and Little Rock, come into they hood  
Oklahoma to Louisiana, come into they hood  
Kansas City to Seattle, come into they hood  
Minneapolis to Milwaukee, come into they hood
