Spoken:

Rocka my soul in the bosom of Abraham
Let my people go deep into La La Land
I'm the pied piper with a 'lectronic baby grand
I'm gonna sell you a song

[piano intro]

I woke up when I got here
But I'm not really sure where I am
I see a piano
Beside it is standing a man, he says:
There are two kinds of stars here
The Dead and Alive
We want you to join them.
I wonder, which star am I?

The world is twisted

All of these rockstars are whores
Writing songs for commercials
So you go buy their shit in the stores
And I can't sleep
I can't sleep

I feel alive
I feel alive
I feel alive
I feel alive

[piano interlude]

Sign off!
This is the chorus
Made it very
Simple
For
Us

Alive!

Alive!

I feel alive! Oh yeah!

I feel
