I needed some time, time to myself  
Like maybe I'd like to escape  
I wait on the rhyme, dead on the bed  
And then it hits me in the face

Don't walk away, I'm better now  
It's just a song was comin'  
But now that it's here  
We're in the clear  
I gotta keep on runnin'

And I couldn't help myself  
Everyone's looking for something, sometime  
No I couldn't help myself  
Think life is rough?  
It's ruffles!

[piano breakdown]

If life deals you cards nobody wants

Don't give up so  
Easy to get whatever you want  
You just have to

Visualize the future  
Picture yourself in the mirror of your mind  
This is how dreams come true, oh  
Life is ruffles  
It works every time, every time, every time

Works every time!

[piano interlude]

Life is... ruffles! Yeah!

Life is... ruffles!

Life is... ruffles! Yeah!

...

[piano outro]
