Thank You Doctor
By Christine Anderson

Thank you doctor
I think I'm better now that all the pain is gone
Thank you doctor
I think I'm better now and I can carry on

I've cried so many tears
But not enough that I drown
Just one more way that I've failed
I'm still here, I still breathe

And I've screamed so many times
All my will to believe
Has derailed
I need a doctor

Thank you doctor

I think I'm better now that all the pain is gone
Thank you doctor
I think I'm better now and I can carry on

Cut me good, cut me deep
Put me to sleep
I never want to
Wake up

Sign me in, knock me out
I just want to get out of here
I'm tired of hating myself

Thank you doctor
I think I'm better now that all the pain is gone
Thank you doctor
I think I'm better now and I can carry on
