Keep the door locked while tha boat rocks

And the gobots and robot gotta wait till the show stops

How 'bout on the beach with black sand

pick up your theighs and call me the PacMan

Table top and jus gimmie the lap dance

Tha rock to the park to the point to the flatland  
That man ain't ludicrous WOOOOO  
In tha public bathroom  
or in the back of tha classroom  
However you want it  
I'm gonna tap dat ass soon  
See I cast em and I pass em  
Get a tight grip and I grasp em  
I flash em and outlast em  
And if it ain't good then I trash em.

While they tell me what they fantasy

tell your b/f not to be mad at me
