Love me cancerously
Like a salt-sore soaked in the sea.
'High maintenance' means
You're a gluttonous queen.
Narcissistic and mean.

Kill me romantically.
Fill my soul with vomit,
Then ask me for a piece of gum.
Bitter and dumb;
You're my sugarplum.
You're awful, I love you!

(Chorus)
She moves through moonbeams slowly
She knows just how to hold me
And when her edges soften
Her body is my coffin
I know she drains me slowly
She wears me down to bones in bed
Must be the sign on my head
That says, oh...
Love me dead!
Love me dead!

You're a faith-healer on T.V.
You're an office park without any trees
Corporate and cold
Gushing for gold
Leave me alone.

You suck so passionately
You're a parasitic psycho, filthy creature
Finger-bangin' my heart
You call me up drunk
Does the fun ever start?
You're hideous and sexy!

(Chorus)
She moves through moonbeams slowly
She knows just how to hold me
And when her edges soften

Her body is my coffin
I know she drains me slowly
She wears me down to bones in bed
Must be the sign on my head
That says, oh...
Love me dead!
Love me dead!

Raw! Uhng!

Love me cancerously.
whistles
Brrrot-dot-da-d-da-da!
Brrrot-dot-da-d-da-da!

How's your new boy?
Does he know about me?
You've got the mark of the beast.
You're born of a jackal! You're beautiful!

(Chorus)
She moves through moonbeams slowly
She knows just how to hold me
And when her edges soften
Her body is my coffin
I know she drains me slowly
She wears me down to bones in bed
Wha' 'bout that sign on my head!
That says, oh...
Love me dead!
Love me dead!
Love me dead!
Love me dead!

Oh... Love me dead!
