Sun falls slowly
On our lonely
Goodbye bedroom
You're my only

My last night home is
First night nervous
Take me over
Remember all this
'Til then

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay

It's gone cold now
We'll sleep somehow
I'll be gone by first light
Last chance hold tight
Until then

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn
And my heart will stay

I lie awake and memorize your face
As you sleep next to me
The falling moon is calling me
As I leave

Sun rise slowly
The road looms lonely
But I will not fail

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return my love will burn

And my heart will stay

Please save this for me

I'll come back for you love I promise to

Please save this for me

For until I return my love will burn

And my heart will stay

My heart will stay
