"The Only Thing That Counts"

Visit "[The Only Thing That Counts](#)" on MotoLyrics.com

The only thing that counts is faith living it out in love
The only thing that counts is faith living it out in love

And love covers over a multitude of sins
And love makes up for oh so many things

The only thing that counts is faith living it out in love
The only thing that counts is faith, let's live it out in love

Christ is the fire that keeps this love alive
We will shine brighter when He is our delight

The only thing that counts is faith living it out in love
The only thing that counts is faith, let's live it out in love

Love covers over oh so many sins,
Let's live it out, let's give it all to Him

He is the fire, He'll keep this love alive
We'll shine so bright
'Cause He is our delight
