Don't look at me  
'Cause there's something I wanna hide  
There's so much grief  
I can see it in your eyes  
Don't lie, I'm not stupid  
Don't cry, you don't deserve this

(Chorus)

Don't leave  
Don't be yourself without me with you  
Oh tell me why it's time  
To say goodbye

It's all so quiet  
And it's ripping you apart  
I cannot fix it  
They don't teach us to mend hearts  
I'm fine, I wish you'd ask me  
In time, things must change

(Chorus)

I cannot do this on my own  
I cannot change what I don't know  
I wanna help but I can't get through  
Oh and I can't help but wonder what happened to you

(Chorus)
