I don't know what I need
I don't know what to say
I'm shaky on my feet
This temporary place
This momentary phase
Is smaller than we see

(Chorus)

I'm tired of getting lost and so frustrated
If I get another chance, I'll take it
I wanna give it up this time
And you can't stop me
From givin' up what's mine
'Cause I don't need these superficial things
I can't buy what life can bring

At the end of the day
All of this will fade
No longer can I wait
As I'm walking through this storm
My feet are bruised and worn
But I want nothing but to stay

(Chorus)

I want something bigger than my life
Give me the strength to do it right this time
I want something constant through this strife
I want it I want it

I wanna give it up this time
And you can't stop me
From givin' up what's mine
'Cause I don't need these superficial things
All these superficial things
All these superficial things
I can't buy what life can bring
