I don't think I knew what I was lookin' for
But this I can't ignore, it cannot wait
Could you tell me now who here is to blame
It's true I feel the same, so what's in store
I cannot tell you what I want or what I'm lookin' for

(Chorus)

You might be just the type I would choose to spend my
time on'
So keep tryin'
'Cause once I've made up my mind I would pretend
'Cause I know what I like

Common sense would tell me stop while I'm in line
While everything's alright, while I'm still happy
Oh, I am not afraid and I'm not one to be tried
But I think you'll do just fine if you really like me
I cannot tell you why I'm here or what I'm waiting for

(Chorus)

I don't wanna walk around like I'm a fool
It's twenty questions and I don't know all the rules
But anything could happen

(Chorus)
