Baby close your eyes I'm leavin' today
I wish that I could tell you
"Honey, it's okay"
I will not stay to see the
Tears run down your skin
I just can't turn around cause
Oh, the ice is thin

Maybe I should go
Maybe I should stay
Maybe I should stop treatin' you this way
I don't have time for sadness
I don't have time for pride
All I know is leavin' is my biggest mistake
And it's one thing I hate to do

A hundred thousand people pass me every day
But the only thing I see

Is your body and your face
I've felt an aching for you
One too many times
At what point really were you mine?

Maybe I should go
Maybe I should stay
Maybe I should stop treatin' you this way
I don't have time for sadness
I don't have time for pride
All I know is leavin' is my biggest mistake
And it's one thing I hate to do

And oh, I can't turn back now
And oh, you got me someway somehow
Any moment I'll see
You're the one I just can't leave
