I remember now the night we met
you treated me so sweetly
now don't you go away an' leave me flat
I'll let you know it discreetly
I only wanted you to taste my world
but you took it all away
and now I'm standing here I'm in a whirl
so here the words I say:

Stop
when you do what you do
I almost blow my top
gotta have your sweetness
every single drop
gonna shout about it
couldn't live without your love
love.

Stop
when you do what you do...

Together we walked hand in hand
was holding you so tightly
dreamin' things we thought were ready planned
cuddlin' up to you nightly
I only wanted you to taste my love
but you took it all away
and now I'm standing here I'm in a whirl
so hear the words I say:

Stop
when you do what you do
...
