See this life  
I hate it now  
Though I don't want to  
See this life  
I hate it now  
Though I didn't used to

Once there was a way to dream  
A warm pool to lie in  
Someone's murdered the child in me  
This place I'll die in

Bones are all you see  
Because that's what left of me  
Bones are all you see  
Because that's what left of me

See that man  
I hate him now  
Though I don't want to  
See that man  
I hate him now  
Though I didn't used to

One there was a time of love  
That time is no longer  
So I scream to God above  
Take me from this hunger

This road and me ...
