You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Digging the Dancing Queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You've got to look the king
Anybody can be that guy
The night is young and the music's high

Feel the rhythm of music
Everything is fine
You're in the mood for a dance
And when you get the chance
You are the Dancing Queen
Young and sweet, only seventeen
Dancing Queen
Feel the beat of the tambourine

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Digging the Dancing Queen

You're a tease you can turn it on
Watch them burn and then you're gone
Anyone will do
When you're in the mood for a dance
And when you get the chance
You are the Dancing Queen
Young and sweet, only seventeen
Dancing Queen
Feel the beat of the tambourine
Dancing Queen
Digging the Dancing Queen
