I think I'm going back to Shenandoah  
She said that she'd meet me by the fork in the road  
I jump start my old Ford  
I'm heading for the pow-wow  
Follow red path that leads to you.

I gave my love a golden feather  
I gave my love a heart of stone  
And when you find a golden feather  
It means you'll never lose your way back home.

Should I paint my face  
Should I pierce my skin  
Does this make me a pagan  
Sweating out my sins  
We ate the sacred mushroom  
And waded in the water  
Howling like coyotes  
At the naked moon.

I gave my love a golden feather  
I gave my love a heart of stone  
And when you find a golden feather  
It means you'll never lose your way back home.

In the autumn night  
When there's no wind blowin'  
I could hear the stars falling in the dark  
When you find what's worth keeping  
With a breath of kindness  
Blow the rest away.  
I gave my love a golden feather  
I gave my love a heart of stone  
And when you find a golden feather  
It means you'll never lose your way back home.
