I don't fool around on my baby  
And he don't fool around on me  
And I know when I need him  
He'll be there for me

Ooh and if he asks me some questions  
Well, I don't tell him lies  
And I don't have the need  
The need for alibis

I don't know how  
Love will survive  
But it's all right for now  
Still I believe  
Love will show us how

There must be a way  
To keep it alive  
And so keep our vows

And I believe  
Love will show us how  
Still I believe  
Love will show us how

I don't know how  
Love will survive  
But it's all right for now  
Still I believe  
Love will show us how

There must be a way  
To keep it alive  
And so keep our vows

And I believe  
Love will show us how  
Still I believe  
Love will show us how

Still I believe  
Love will show us how
