Have mercy, baby, on a poor girl like me
You know Iâ'm falling, falling, falling at your feet
Iâ'm tingling right from my head to my toes
So help me, help me, help me make the feeling go

Cause when the loving starts and the lights go down
And thereâ's not another living soul around
Then you woo me up till the sun comes up
And you say that you love me

Have pity, baby
Just when I thought it was over
Now you got me running, running, running for cover
Iâ'm begging you for a little sympathy
And if you use me again it will be the end of me

Cause when the loving starts and the lights go down
And thereâ's not another living soul around
Then you woo me up till the sun comes up
And you say that you love me

Baby, baby hope youâ're gonna stay away
Cause Iâ'm getting weaker, weaker everyday
I guess Iâ'm not as strong as I used to be
And if you use me again itâ'll be the end of me

Cause when the loving starts and the lights go down
And thereâ's not another living soul around
Then you woo me up till the sun comes up
And you say that you love me

Cause when the loving starts and the lights go down
And thereâ's not another living soul around
Then you woo me up till the sun comes up
And you say that you love me
Say that you love me
Say that you love me

Fallinâ', fallinâ', fallinâ'
Fallinâ', fallinâ', fallinâ'
Fallinâ', fallinâ', fallinâ'
Fallinâ', fallinâ', fallinâ'

Fallin' , fallin' , fallin'
