When you're alone at night
Does it feel all right
And does your heart feel content
Lord knows I hope it might

On every corner you turn
There's a heartache
Well, love's a challenge
A chance that you've gotta take

I've been alone before
And it's a tough one for sure
Isn't there someone you need
I hope it might be me

On every corner you turn
There's a heartache
Well, love's a challenge
A chance that you've gotta take

Now every corner I turn
Seems so unkind
And you're the challenge on my mind

On every corner you turn
There's a heartache
Well, love's a challenge
A chance that you've gotta take

Now every corner I turn
Seems so unkind
And you're the challenge on my mind

No matter what you
Love is a challenge
Love is a challenge

I'm not lying
No matter what you
I'm not lying
No matter what you
I'm not lying

No matter what you
