If you thought that I didn't care no more
What am I dreaming for?
Maybe you ain't got the time
To let go by

Who's dreaming this dream?
Who's dreaming this dream with me?
Thought you were by my side
Now I'm looking to find
Somebody dreaming this dream

Some version of the truth that we hoped to find
Has yet to show
It may seem too much to ask
But still I've got to know

Who's dreaming this dream?
Who's dreaming this dream with me?
I'm gonna take my time
'Cause I know that I'll find
Somebody dreaming this dream

Who's dreaming this dream?
(Now I'm taking my time)
Who's dreaming this dream with me?
(I know I'm gonna find)

Thought you were by my side
Now I'm looking to find
Somebody dreaming with me

So if you thought that I didn't care no more
What am I dreaming for?
Maybe you ain't got the time
To let go by

Who's dreaming this dream?
Who's dreaming this dream with me?
I'm gonna take my time
'Cause I know that I'll find
Somebody dreaming this dream

Who's dreaming this dream?
(Now I'm taking my time)
Who's dreaming this dream with me?
(I know I'm gonna find)

Thought you were by my side
Now I'm looking to find
Somebody dreaming with me
