Baby what are we becoming
It feels just like we're always running
Rolling through the motions everyday
I can lean in to hold you, or act like I don't even know
you
Seems like you could care less either way
What happened to that girl I used to know
I just want us back to the way we were before

Do I turn you on at all when I kiss you baby
Does the site of me wanting you drive you crazy
Do I have your love, am I'm still enough
Tell me don't I, or tell me do I baby
Give you everything that you ever wanted
Would you rather just turn away and leave me lonely
Do I just need to give up and get on with my life
Baby, do I

Remember when we didn't have nothing
But a perfect simple kind of loving
Baby those sure were the days
There was a time our love ran wild and free
Now I'm second guessing everything thing I see

Do I turn you on at all when I kiss you baby
Does the site of me wanting you drive you crazy
Do I have your love, am I'm still enough
Tell me don't I, or tell me do I baby
Give you everything that you ever wanted
Would you rather just turn away and leave me lonely
Do I just need to give up and get on with my life
Baby, do I

Still give you what you need
Still take your breath away
Light up the spark way down deep, baby do I

Do I turn you on at all when I kiss you baby
Does the site of me wanting you drive you crazy
Do I have your love, am I'm still enough
Tell me don't I, or tell me do I baby

Give you everything that you ever wanted
Would you rather just turn away and leave me lonely
Do I just need to give up and get on with my life

Tell me baby do I get one more try
Do I, baby do I
