(Verse 1)

My daddy spent his life lookin' up at the sky
He'd cuss, kick the dust, sayin' son it's way too dry
It clouds up in the city, the weather man complains
But where I come from, rain is a good thing

(Chorus)

Rain makes corn, corn makes whiskey
Whiskey makes my baby feel a little frisky
Back roads are boggin' up, my buddies pile up in my
truck
We hunt our honeys down, we take 'em into town
Start washin' all our worries down the drain
Rain is a good thing

(Verse 2)

Ain't nothin' like a kiss out back in the barn
Wringin' out our soakin' clothes, ridin' out a
thunderstorm
When tin roof gets to talkin'; that's the best love we
made
Yea where I come from, rain is a good thing

Repeat Chorus

(Bridge)

Farmer Johnson does a little dance
Creeks on the rise, roll up your pants
Country girls, they wanna cuddle
Kids out playin' in a big mud puddle

Repeat Chorus

Rain is a good thing, rain is a good thing, rain is a good
thing
