So this is what it feels like to grow up
I want some independence not to little, not to much
I can take some steps alone this time
But you know that I'll never ever leave you behind

Oh, I believe in who I am because of you
Oh, you've been there to always help me through
In everyday and everyway
In what you do and what you say
You'll never be replaced
I hope you know
(I hope you know, I hope it shows)
You're my everyday hero

I wonder if you think I'm letting go
I might be but just believe I'll make it on my own
I can see it in your eyes, I see it all the time
You've been cheering in the stands all of my life

Oh, I believe in who I am because of you
Oh, you've been there to always help me through
In everyday and everyway
In what you do and what you say
You'll never be replaced
I hope you know
(I hope you know, I'll make it shows)
You're my everyday hero

Whoa, Whoa...
I don't have to look around to know you're there
Whoa, Whoa...
I'll take you with me everywhere
Whoa, Whoa...
Because you've made a mark on my life
Whoa, Whoa...
All because you care
(You're always there)
You're my everyday hero
Whoa whoa whoa whoaaaa

(Oh, I believe in who I am because of you)
Oh, you've been there to always help me through

In everyday and everyway
In what you do and what you say
You'll never be replaced
I hope you know
(I hope you know, I hope it shows)
You're my everyday hero

So this is what it feels like to grow up
