Let's Go!
Woah!

Think about it...u-oo
There must be higher love
Down in the heart or hidden in the sky's above
Without it, uh
Life is wasting time
Look inside your heart
I'll look inside mine
Things look so bad, everywhere
In this whole world, what is fair?
Yeah
We walk blind, and we try to see
Falling behind, and what could be
Yeah

Bring me a higher love
Bring me a higher love, oh
Bring me a higher love
Where's that higher love
I keep thinking of?

World's are turning, yeah
And we're just hanging on
Facing our fears, standing out there alone
All yearning, and it's real to me
There must be someone
Whose feeling for me
Things look so bad, everywhere
In this whole world, what is fair?
We walk blind, and we try to see
Falling behind, and what could be
Yeah

Bring me a higher love

Bring me a higher love, oh
Bring me a higher love
I could rise above
On a higher love

I will wait for it
I'm not too late for it
Until then, I sing my song
To cheer, I'm not alone
Kick it!

Bring me a higher love
Don't you think, what this world needs is some higher
love
That's all I'm saying, 1 2
Kick it in boys! Go!

Bring me a higher love
(Bring me a higher love)
Bring me a higher love, oh
Bring me a higher love
Where's that higher love
I keep thinking of?
Bring me a higher love
(Bring me a higher love)
Bring me a higher love, oh
Bring me a higher love
Where's that higher love
I keep thinking of?

(Oo woah oh, oh oh oh)
Oh
(Oo woah oh, oh oh oh)
Bring me that higher love
